Hudson Portuguese Club \*\* Clube Português de Hudson

Quarterly publication of the Hudson Portuguese Club

October 2009, No. 42

### Behind the Scenes

Behind the Scenes will be a series of articles that I plan to submit to The Messenger during my term as President of the Hudson Portuguese Club. The intention is to applaud individuals whose service to the club and to my board have been of extreme help.

Every quarter as the board gets ready for the next meeting I try to reflect on what has happened that makes me want to point out the person or people who have been on our side helping one way or another. I have several people that I would like to point out and one of them is our most faithful member and customer, Joe Costa! As a customer he chooses to spend his money with us by coming in several times per week to the restaurant and lounge. As a member every couple of months he goes out and purchases a skid of water for the club, this saves us money instead of using an outside vendor. Thank you Joe!

The economy has also affected the club and the business. The halls are booked but with much smaller parties. As expected the winter months and the summer months are the toughest ones to survive. We had 2 critical months where the expenses exceeded the income in which we had to appeal to our members for financial help with the mortgage. Thank you for coming to our help. Once again the golf tournament was a great success, a special thank you to Lizett & Rodney Frias and their team for putting this together and donating the money to the club. The proceeds from this tournament allow us to continue to provide our members a place to enjoy and relive their culture, and allow us to give back to the community. Thank you all.

Lurdes Melo ☺ HPC President

*Will it be you behind the scenes for the next article?  
Your help is always needed and greatly appreciated!*

### Por detrás da cortina

Por detrás da cortina sera uma série de artigos que tenciono publicar no Mensageiro durante o meu mandato como presidente do Clube Português de Hudson. O objectivo é de realçar e aplaudir indivíduos cuja ajuda ao Clube e à Direcção tem sido the extrema importância.

Em cada trimestre quando a direcção se prepara para a proxima reunião, eu reflecto no que aconteceu anteriormente e tento indicar as pessoas que estiveram em nosso lado ajudando de uma maneira ou de outra.

Hoje gostaria de agradecer um deles é nosso membro, e o cliente mais fiel. José Costa! Como cliente Jose escolhe gastar seu dinheiro connosco vindo diversas vezes por semana ao restaurante e ao bar falando e revendo os tempos atras. Como membro ajuda-nos de dois em dois meses compra-nos a água, este jesto conserva-nos dinheiro porque elimina um vendedor exterior. Obrigado José!

A economia tambem afetou o clube e o negócio. Os salões estão reservados mas com festas muito menores. Como é de esperar os meses de inverno e do verão são os que têm mais vagas. Nós tivemos 2 meses críticos onde as despesas excederam a renda, entretanto tivemos que apelar aos membros por ajuda. Obrigado. Este ano houve outra vez o Golf Tournament estabelecido pela equipa do S&F, muito obrigado a Lizett & Rodney Frias e a todos os que ajudaram. Este é um beneficio para os socios. Assim pode-mos continuar a dar aos nossos membros um lugar onde revive a sua cultura e onde podemos retribuir a nossa comunidade. Obrigadissimo a todos.

Lurdes Melo ☺ HPC President

*E qual será de vós que será encontrado por detrás da cortina? Lembre-se sua ajuda é sempre necessaria.*

## Riverview Restaurant celebrates the Riverview Gallery Opening

Riverview Gallery - is now open in the Riverview Restaurant at the Hudson Portuguese Club, where European ambiance, style and culture all come together with inspired Portuguese and American cuisine. Inside the newly renovated Riverview Restaurant, changing exhibitions of contemporary artworks compliment the beautiful murals of stone arches that frame a breathtaking view of cliff lined seas and blue skies.

### October 8 - November 20

Will Falcão Kerr: Navigation Paintings explore concepts of navigation, science, and human interconnectedness - evoking reinterpreted traditional Portuguese 'azulejos' (tiles) and arabesque inspired patterns. These painted works play with notions of space and orientation with bold colors and intricate patterns. With the Portuguese naval ship "Sagres" and the great history and tradition of the Portuguese navigators as muse, Kerr offers a richly abstracted interpretation of past and future through his arrangement of invented symbols that evoke imagined Odyssean seascapes.

# Message from the President

**Business results:** 2009 has proven to be more challenging than 2008. We have reduced old debt by 62% all signs that we are profitable. Our kitchen and restaurant have done a 360 turn. Food has been great and many customers are coming back. Most of our functions have had our in house catering which is a benefit for all, as it's also a savings for the customer. We have also asked Michael Lyman to oversee the bar, acting as bar manager, where he is responsible for accuracy of the day to day activities related to bar and it's inventory, bartenders, and wait staff.

**We look forward:** to bringing many members and the public to use our facility. We have music in the lounge every Friday night without cover charge. There are many events that can only be successful with your participation, see our posted fliers for all events like music of the 60's, veteran's day celebration, and don't forget to reserve the date to spend New years eve with us.

**Challenges:** being able to have agreements and payment terms with vendors from old debt.

Find the right manager to run this type of a business where it requires expertise in different areas, such as; catering, market, sales, advertise negotiations, etc.

My team and I will be leaving soon and are still interested on helping whoever comes next. There are still many things that need to be done and we must stick together to accomplish that. We are all looking for the success of the club. Lurdes Melo

## Photos of the Portuguese Consulate at the member's barbeque in July

No ano de 2009 houve mais desafios ainda do que 2008. Nós reduzimos o dividas velhas por 62%, que indica que nós somos rendáveis. Nossa cozinha e restaurante melhorou como completa volta 360. A comida é muito boa e clientes estão voltando. A maioria de nossas festas têm usado o nosso chef que é um benefício para todos, incluído o cliente. Nós pedimos ao Michael Lyman para ver o encarregado da barra, actuando como gerente. Onde é responsável para as atividades do dia a dia relativas à barra e ao inventário incluindo barmans, e ajudantes do restaurante.

**Olhando em Frente:** que nossos membros e público voltem a usar nosso lugar nós temos música todas as sexta-feira grátis. Há muitos eventos que podem somente ter sucesso com a sua participação, veja nossos folhets afixados para todos os eventos como a música do 60' s, a celebração dos veteranos e não se esqueça de reservar a data para passar o fim do ano connosco.

**Assuntos Pendentes:** Selar o passeio, alinhar o parque de estacionamento, fazer o chão de baixo.

**Desafios:** Encontrar acordo entre o clube e os vendedores pendentes das dividas antigas para se continuar a pagar. Encontrar um gerente adequado para este tipo de negócio onde exige saber em áreas diferentes como; a restauração, mercado, vendas, anuncia negociações, etc.

Ao findar o nosso termo a nossa direção quer continuar a ajudar ao clube e à proxima direção no que for necessario. Há ainda muitas coisas que precisam de ser feitas e nós devemos se juntar para que elas se realizem.

Juntos conseguiremos o sucesso deste clube.

Lurdes Melo
